

Polysomnographer/Sleep Lab Technician

The Sleep Wellness Institute, (TSWI) Wisconsin's largest independent and fully accredited sleep disorders center, is looking for confident, customer focused and self-motivated RPSGT Sleep Technicians. As Wisconsin's preeminent center for the diagnosis and treatment of all sleep disorders for both adults and children, we are searching for employees to service our patients in the Mequon and West Allis.

Hours per Shift: 12

Shift Start Time: 7:30 pm

Shift End Time: 0730 am

FTE: Full Time 36 hours

Requirements: Two years or more experience as a Polysomnographer. Registered or Register eligible by the Board of Registered Polysomnographic Technologists. Certification in BLS required.

Preferred: Wisconsin licensed Respiratory Care Practitioner

Good mathematical and science aptitude along with a general understanding of computers required

Under the supervision of the Sleep Care Manager the Polysomnographic Technician is responsible for a variety of polysomnographic studies including nighttime studies and day studies-MSLTs, MWTS, and PAP NAPS. As appropriate, administers oxygen and titrate CPAP/BIPAP/ASV/AVAPS. Pediatric experience is highly desirable. Is able to analyze data, score polysomnograms and compile data into a report for the physician to review. This position requires flexibility in filling the work schedule.

TO APPLY: Please send resume and cover letter to dianne@sleepwell.org or mail to The Sleep Wellness Institute, 2356 S. 102nd Street, West Allis, WI 53227 ATTN: Dianne
