WHAT IS AASM SLEEPTM?

AASM SleepTM – developed by the American Academy of Sleep Medicine (AASM), the leading voice in sleep care – provides patients, sleep medicine organizations and providers with a state-of-the-art, sleep-specific telemedicine platform. We are breaking down the geographical barriers of health care by delivering sleep expertise directly to patients from accredited sleep medicine organizations and sleep providers.

Provider Benefits

- Asynchronous and synchronous care
 - Secure messaging/file share/live video
- Customizable workflow
- Ability to share center-specific questionnaires and educational documents
- Center-branded Sleep™ page
 - An alternative to expensive web domains

More...

- Efficient patient education follow-up
- Applicable to all medical specialties
- Scalable to practice/system/organization size
 - From single provider to a health system
- For use of all healthcare professionals
 - Physicians, Nurses, Sleep Techs, DME Suppliers, Respiratory Therapists, Dentists, etc.

Patient Portal

- How do I schedule an appointment?
- How do I complete my tasks?
- How do I keep in touch with my physician?
- How do I fill-out my sleep diary?

Provider Portal

- What you need to know on Day 1:
 - Add a patient
 - Add a staff member
 - Customize your webpage
 - Setup patient self-pay
 - Access the Quick Encounter lobby
 - See a patient; start a live video encounter

AASM Sleep™ Free Trial

- To take advantage of the free 7 day trial, start by registering your sleep center on [Sleepm.com](https://www.sleepm.com)
- Need help? Email luke@sleepm.com to get started.
