## Update from the Wisconsin Sleep Society

### FROM THE WSS PRESIDENT

Thank you to all the sleep enthusiasts in WI that help to keep the WSS going. Every member is helping us and we do appreciate it. 2011 brings my term as President to a close. Sue Hoefs, newsletter editor, would like me to spend time crying with you and making the words soft and heartfelt. Not really my style, but here it goes.

Welcome Dr. Dan Tache as President of the WSS! |

Respectfully,  
Pete Weber, BA, RRT, RPSGT

### THANK YOU TO PETE WEBER

Pete Weber has done a great job as President of the WSS. He was highly instrumental in getting the WSS off on the right foot. Our new president, Dr. Dan Tache, will have a hard time filling those shoes but we know he'll bring new ideas and energy to the position.

In addition to helping formulate the bylaws, file for non-profit incorporation papers and run the board meetings, Pete supported the WSS by allowing us a forum to discuss sleep issues at the Bellin Conference that he coordinates. He was present at many sleep events throughout the state over the past two years promoting the WSS. He is already committed to helping us out in the future. You can see him January 28 at the St. Vincent conference representing the WSS. We have covered his service and support, time for the fun stuff. Pete brings a sense of fun to everything he does. Meetings are lively and informative when he is in charge. He will serve as Past-President for the next two years, and I encourage members to join a committee or volunteer to help out in some manner...it's worth it to have the chance to work with Pete and the rest of the board. So, because Pete couldn't end his term as president with a heart wrenching good bye sentiment, I'll have to do it for

him. Thank you, Pete! It's been a wonderful two years working with you and the next two years will be even better. And, according to the bylaws, you can run for another position after that! So, the fun will be around WSS for years to come. With all sincerity,  
Sue Hoefs, WSS Board of Directors

### BELLIN CONFERENCE

The Bellin Conference in November was a great success. Pete Weber and the rest of his committee can be counted on to come up with something interesting year after year. We look forward to the November 2011 conference and anticipate another great discount offered to WSS members. Save the date: Nov 3<sup>rd</sup>, 2011. Lambeau.

### ST. VINCENT'S SLEEP CONFERENCE
