FROM THE WSS PRESIDENT

March is the start of spring and new beginning for all of us who survived the winter. The new start for the WSS is contacting members to be on ad-hoc committees or at minimum to lend us ideas for ad-hoc committees. If you signed up and I contacted you, thank you for getting back to me. The WSS is interested in working with any and all that want to be involved. This is all volunteer work so your time is very much appreciated. We will all work hard to make the use of time efficient so you can get involved. Please contact me if you want more information. Sleep Well!

Respectfully,
Pete Weber, President WSS
