

**Wisconsin Sleep Society Virtual Conference  
September 24, 2021  
Speaker and Planner Disclosures and Resolutions**

**Statement of Need**

The need for these activities has been determined based on identifying professional practice gaps, as well as review of previous course evaluations and member surveys. The educational content was developed based on current issues and topic trends provided by the Wisconsin Sleep Society leadership and membership.

**Accreditation Statement**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The American Academy of Sleep Medicine and The Wisconsin Sleep Society. The American Academy of Sleep Medicine is accredited by the ACCME to provide continuing medical education for physicians.

**Disclosure Statement**

As an education provider accredited by the Accreditation Council for Continuing Medical Education (ACCME), the American Academy of Sleep Medicine must ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational activities. All product developers, planners, and speakers are expected to disclose any relevant financial interest or other relationships held by the individual, or members of their family, that are relevant to the presentation over the preceding twelve months with (1) manufacturers of any commercial products and/or providers of commercial services, (2) any commercial supporters, (3) any off-label or investigational uses of products. The individual is also required to disclose if he/she has no relationships with any manufacturers, products or services that are relevant to the presentation. The ACCME Standards for Commercial Support require accredited CME providers to resolve all identified potential conflicts of interest with any individual in a position to influence and/or control the content of CME activities prior to the education activity being delivered to learners.

**Resolution of Conflicts of Interest**

AASM has implemented mechanisms to identify and mitigate conflicts of interest for all individuals in a position to control content, prior to the planning and implementation of these CME activities. **Course Chair(s) review the COI declarations to satisfy no commercial bias exists.** All Conflict of Interest Disclosures are provided to participants prior to start of the activity.
